

# KEEP YOUR BUSINESS OPERATIONS SAFE AND SECURE.

**Physical and information based threats are on the rise -  
and becoming more sophisticated.**

## **IS YOUR BUSINESS VULNERABLE TO ATTACKS BY CRIMINALS OR OTHER MALICIOUS ACTORS?**

International Resilience Group (IRG) is a fully independent professional services consultancy, specialising in physical and information security, business continuity, and incident response and crisis management. IRG's fully customised solutions ensure the best possible outcomes for your organisation in line with budget and scope of operations.

Our highly skilled and qualified team members have demonstrated experience within both Australian and international industry, government and academia.

IRG provides truly independent consultancy services. We not aligned or owned by equipment suppliers or vendors within our areas of expertise. This makes us independent.
